---

**Join future teachers from throughout Illinois at the IEA Student Program Conference. This is THE conference for students entering the field of teaching.**

- Great opportunity for leadership experience and professional development.
- Have a voice in electing the IEA SP 2012-2013 State Officer Team.
- Conference sessions are planned to meet your needs.
- Sessions build on those things learned in college and university classrooms to extend knowledge and understanding.
- Educational experts conduct sessions and network with student participants regarding current issues and trends in education.

**SAVE \$10 if you register before February 29!**

**Illinois Education Association Student Program Spring Conference**

**March 30-31, 2012**

I will be commuting and will not require housing accommodations.

I will be present for the following meals:

Friday Dinner  Saturday Breakfast

I will **NOT** be present for any meals.

Saturday Lunch  I prefer Vegetarian

I will be registering for  Single;  Double;  Triple;  Quadruple occupancy at the above quoted rate.

The online registration screens will ask you to indicate your roommate(s). **Please make every attempt to register together, at the same time, so that your roommate request can be honored.** During the online registration process, please type all names into the box (only one field is available) of all roommates you are requesting and separate with commas. We appreciate your careful attention to the online registration process.

**If name(s) is/are not indicated, roommate(s) will be assigned.** If you are willing to have random roommates assigned so you can register at a lower rate, please type "please assign any" in the box (only one field is available) that asks you to specify roommates during the online registration process. **We encourage professional behavior at all times during the conference.**
